## A History Of Clinical Psychiatry

Scotland's Edinburgh medical school of the eighteenth century developed an interest in mental illness, with influential teachers including William Cullen (1710-1790) and Robert Whytt (1714-1766) emphasising the clinical importance of psychiatric disorders. In 1816, the phrenologist Johann Spurzheim (1776-1832) visited Edinburgh and lectured on his craniological and phrenological concepts ...
