A Place For Everyone Victorian

Here is our list of the 10 Victorian novels we at Interesting Literature think everyone should read - whether because they're great novels, because they tell us something important about Victorian society, because they stand as classics of the period, or (in most cases) all three. They're not arranged in any particular order (that would be too difficult and controversial a task!).

Accuracy | ScreenRant

In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle Époque era of Continental Europe. Morally and politically, this period began with the passage of the Reform ...

Victorian era - Wikipedia

Victorian era is thus named after the monarch ruling over England during this period and this particular term was employed for the first time when the Great Exhibition of 1851 took place in London. This was the platform where all that Victorian morality and inventions and discoveries were showcased to the world at large.
