I just received the Altec Lansing 251 5.1 speakers for my birthday. First of all, I can't believe the bass. It has a great punch and remains crisp at high volumes; say buh-bye to fuzzy, crappy bass on your music. Secondly, the satellite speakers have a great range and don't distort when you want to rock.

I can't get my right front speaker to work on my Altec Lansing 251 5.1 set , the only way it will work is to reinstall WinXP. But shortly after install.....anywhere from an hour to a couple days , the right front gives out again. I know it's getting power because it's the same speaker that powers all the others. And for some reason the center speaker takes over as right front and center.
