Crossing Over offers three advantages as a casebook of end-of-life care. First, the book includes narratives of patients who don't seem to accept or benefit from hospice philosophy or hospice-type care. For example, Miriam Lambert, a patient with melanoma who suffered from "total pain and the despair of an un-lived life."

Barnard's Crossing was originally founded by Jean Pierre Bernard and a group of people that "didn't much care for" Puritanism. The current police station was originally the town hall. The town hid several witches during Salem 's witch-hunts. There have been no witch-hunts in the town. In modern times, it became a summer vacation spot for the rich.

Napoleon Crossing the Alps is any of five versions of an oil on canvas equestrian portrait of Napoleon Bonaparte painted by the French artist Jacques-Louis David between 1801 and 1805. Initially commissioned by the King of Spain, the composition shows a strongly idealized view of the real crossing that Napoleon and his army made across the Alps through the Great St. Bernard Pass in May 1800.
