There are many benefits to preparing for and taking a final exam. Keep in mind that you are trying to gain an understanding of the “big picture” when studying for a cumulative exam. You are most likely to remember information when it makes sense to you. A value in studying for an exam of large scope is it

Debriefing the exam helps you indentify the conceptual gaps that you need to relearn versus errors that may have resulted from test stress or a misreading of a question. If you can start to identify where/how you are struggling with the exam, then you can think about how to make better use of your study time as you prepare for the next one.
