This book is well organized and has plenty of activities for the kids to do. I teach a PreK-K religion class and I use this for teaching them about our liturgical year. This book is advanced for them, but the pull-out calendar is simple enough for them to color and get a general understanding.

The Church gives us that visible calendar in the Liturgical wheel – a circular calendar with days of the year that march us through the seasons. The Christian year is beginning again soon, on the First Sunday of Advent.
