Indigenous Peoples Of North America

The indigenous peoples of the Americas are the pre-Columbian peoples of North, Central and South America and their descendants. Although some indigenous peoples of the Americas were traditionally hunter-gatherers —and many, especially in the Amazon basin, still are—many groups practiced aquaculture and agriculture.

Indigenous peoples of the Americas - Wikipedia

Groups of native people lived on the North American continent long before they were discovered by European explorers. They often associated together by their common language and culture. These natives have been known as Indians, American Indians, Native Americans, the native races of North America, and other similar terms.

Indigenous Peoples of North America - FamilySearch Wiki

Culturally, the indigenous peoples of the Americas are usually recognized as constituting two broad groupings, American Indians and Arctic peoples. American Indians are often further grouped by area of residence: Northern America (present-day United States and Canada), Middle America (present-day Mexico and Central America; sometimes called Mesoamerica), and South America.
