Intelligence Activities And The Rights

House and Senate permanent select committees established at that time now oversee U.S. intelligence. The critical question before the committee was to determine how the fundamental liberties of the people can be maintained in the course of the Government's effort to protect their security. Intelligence Activities and the Rights of Americans . . .

Book II: Intelligence Activities and the Rights of Americans

intelligence activities threaten to undermine our democratic society and fundamentally alter its nature. We have examined three types of "intelligence" activities affecting the rights of American citizens. The first is intelligence collection -- such as infiltrating groups with informants, wiretapping, or opening letters.

INTELLIGENCE ACTIVITIES AND THE RIGHTS OF AMERICANS

The Church Committee examined whether intelligence activities threaten the rights of American citizens. The Committee found that too many people were spied upon by too many Government agencies and too much information had been collected. The Government often undertook secret surveillance of citizens on the basis of their political beliefs, even when those beliefs posed no threat of violence or ...
