Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

In fact, nearly three-fourths of the country's largest school districts have chosen remote learning as their only instructional model for the beginning of the academic year, according to a Sept. 2 update from Education Week magazine. (Some districts are adopting a hybrid model and others are offering on-campus instruction for all students with an option to do remote learning if desired).
