Introduction. I find the study of constitutional law to be immensely interesting. It concerns some of the most fundamental questions about the nature of our government and our society. In its text and caselaw, constitutional law reveals the path of our history, from the drafting of the Constitution in 1787

The Meaning and Scope of Salvation
Even a casual look at the world quickly reveals man's condition in sin and the awful plight in which this fallen condition has left him. Furthermore, it is a condition against which mankind is completely helpless when left to his own human resources. In spite of all man's expectations of a new society in which he is able to bring about peace and ...

Albert Venn Dicey KC FBA (1835–1922), usually cited as A. V. Dicey, was a British Whig jurist and constitutional theorist. He is most widely known as the author of Introduction to the Study of the Law of the Constitution (1885). The principles it expounds are considered part of the uncodified British constitution. He became Vinerian Professor of English Law at Oxford, one of the first ...
