I have not read all of the essays in this book yet, but the lead essay "Mysticism and Logic" has pages missing. There is a gap of probably two pages between the bottom of the first page in print, and the next page in print, which is numbered "4." Then pages 6 and 7 are missing. The rest of this essay appears to be present.

Very deep essays on the human being, being human with essay I. "Mysticism and Logic" the most popular, but don't stop reading at the end of that essay. My favorite that resonated the most with me was III. "A Free Man's Worship" in which Russell struggles with finding meaning in life through helping fellow travelers along the journey through life.
