The situation with Math 8/7 and Algebra 1/2 is a little confusing. Math 8/7 was a late addition to the Saxon lineup and was considered optional for a few years. However, with revisions to the other texts, Math 8/7 really replaces Algebra 1/2. Ideally, students will complete Math 8/7 in seventh grade and Algebra 1 in the eighth.

Traditional mathematics (sometimes classical math education) was the predominant method of mathematics education in the United States in the early-to-mid 20th century. This contrasts with non-traditional approaches to math education. Traditional mathematics education has been challenged by several reform movements over the last several decades, notably new math, a now largely abandoned and ...
