The City (The City series) by Stella Gemmell. The City is ancient, layers upon layers. Once a thriving metropolis, it sprawled beyond its bounds, inciting endless wars and creating a barren wasteland of what was once green and productive.

In the center of the City lives the emperor, a man in his prime though he should be very old.

A Towering Epic: The City by Stella Gemmell | Tor.com

The City is a strange mix of styles, not unlike a heroic fantasy novel combined with Gormenghast. The characters are more deep and rounded than David Gemmell's, but the pacing is slower and the plot/motivations more obscure. While I enjoyed this book, I won't be rushing out to buy future books by Stella Gemmell.
