The Ghost Map Summary and Study Guide | SuperSummary

In the 1850s, London was the largest city in Europe, and one of the filthiest cities in the world. At a time when the majority of the world lived in rural communities, in London millions of people lived within a few miles of each other—and the city lacked a sanitation system that could deal with millions of people's garbage and waste.

The Ghost Map by Steven Johnson Plot Summary | LitCharts

These are topics that have long obsessed Steven Johnson, and The Ghost Map is a true triumph of the kind of multidisciplinary thinking for which he's become famous—a book that, like the work of Jared Diamond, presents both vivid history and a powerful and provocative explanation of what it means for the world we live in. The Ghost Map takes place in the summer of 1854.
