For example, Alexander Hamilton was influenced in part by The Wealth of Nations to write his Report on Manufactures, in which he argued against many of Smith's policies. Interestingly, Hamilton based much of this report on the ideas of Jean-Baptiste Colbert, and it was, in part, Colbert's ideas that Smith responded to with The Wealth of Nations.

The Wealth of Nations. Despite its renown as the first great work in political economy, The Wealth of Nations is in fact a continuation of the philosophical theme begun in The Theory of Moral Sentiments. The ultimate problem to which Smith addresses himself is how the inner struggle between the passions and the "impartial spectator"—explicated in Moral Sentiments in terms of the single ...
