Taiwan Can Win a War With China - Foreign Policy

In the world of geopolitics, how can one win without war? I do not ask this question superficially. What if the media, in its coverage of violent conflict, refused to "obey orders" and wrote about war in a context far larger than military and political leaders would ever acknowledge, let alone condone?

Opinion | We Can Only Win Without War | Robert C. Koehler

Reaction and Counterreaction: The Publication of 'Bombing to Win' Scholars produced the most trenchant and compelling critiques of Pape within less than a decade of the book's 1996 publication. They often found fault with his four categories of strategic attack — punishment, risk, denial, and decapitation — for being too mechanistic.

'Bombing to Win' at 25 - War on the Rocks

Retail traders are always on the lookout for an altcoin right before its take-off, while it is in its last consolidation zone before breakout. MATIC has proven to be one such altcoin, with a nearly 4% gain in price in the last 24 hours. Though MATIC ranks below 50 when ranked by market capitalization, the [...]

Who will win the scaling war: MATIC or Ethereum? Why does ...

To win the war within, we must understand the nature and magnitude of the conflict between indwelling sin and the new man. The Christian life is a constant battle against the world, the flesh, and the devil. Here the focus is on the flesh. "I find" implies that this was a discovery that came to Paul after some painful failures.

Who would win in a war between China and Russia? - Quora

The Second World War was fought between the haves and havenots, between established powers and 'revisionist' ones. To the Axis leaders, world resources - both overseas and in territories within Eurasia - had been divided up unfairly and without their participation, in the 1919 Treaty of Versailles and before.
